# WELCOME

RELAXED, NATURAL WEDDING PHOTOGRAPHY THAT'LL  
HOLD YOUR HEART FOR DECADES TO COME.

Warm, artistic wedding photos glowing with natural, human moments. Ear-to-ear smiles, proper belly laughs, and "oh God, my mascara!" tears.

I'll be your bridesmaid, your hype queen, your free hug-dispenser, and your never-ending supply of positive calm. Telling the story of your day with creativity, beauty and friendship. And whenever possible, without interruption.

...

So as your Wedding photographer, I'll always put your experience above everything else.

## MEET YOUR PHOTOGRAPHER

*Hi I'm Lucy*

Music lover, interior design fanatic, big crier, hopeless empath, and lifelong photography addict.

I'm a half-Greek girl (hence the name!), originally from a place called Glyfada, near Athens. I've lived in the UK since I was five, and I still yearn for that warm Greek sunshine!

To me, music is the cherry on top of everything. From the moment I wake up, to when I close my eyes at night, my life has a pretty much constant soundtrack!

Country and folk music is my absolute favourite. The kind that gets you lost in a story, and has you bawling over someone else's heartbreak (having said that, I'm hopelessly empathetic, I literally do cry at everything!)

I'm fully addicted to interior-design. I've been collecting things for my dream home since I was seventeen (I even have a mood board for every room!) And now I have a literal storage unit full of Aussie-Morocco-Bali style furnishings for my future house.

## MEET YOUR PHOTOGRAPHER

Everything in my life has its proper place. Look around my studio, and everything is exactly where it should be. Open my wardrobe, and my clothes are colour-coordinated, everything in shades. Sad? Oh definitely! But sooooo satisfying!

And when I think about it, my photography style is a reflection of me. A collision of my two halves.

The precise girl, to whom only perfection will do; lines straight, subjects centred, light flawless. And the empathetic girl who listens to every problem, and can't help but feel the emotion in everything she sees.

And for me, that's how photos should be.

Perfectly-taken photos that swim beneath the surface, and capture exactly how the moment felt

## HOW I WORK

If you're having a moment, I'll step back, let you get lost in it. Swept up in it. Immersed in it. Every memory you make, I'll give you space, let you enjoy it, and capture it just as it happened.

I'll balance on chairs, perch on windowsills, throw myself into bushes! Whatever it takes to tell the story of your day in the most creative, beautiful way possible. And without any of that annoying, "sorry, but would you mind...?" interruption.

Because that's why you have a wedding photographer, right? Not so you can spend all day posing, and fake-smiling for the lens. But so you can throw yourselves into every moment. Drink, dance, make lifelong memories, and fall in love with each other in a whole new way.

Knowing that when all the confetti has settled, you can flip through the pages of your album together, and relive your day all over again.

WHILE WE OBSESS OVER  
HAVING THE PERFECT  
WEDDING, AFTER  
EVERYTHING WAS SAID &  
DONE, OUR FAVOURITE  
MEMORIES WERE THE  
ONES THAT WERE  
COMPLETELY CANDID

## HOW I WORK

For me, being your wedding photographer is about so much more than just taking photos.

I get to be a part of your wedding day! Honestly, I will never get over how incredible that is! And if there's anything I can do to make your day even the tiniest bit better, I'll move mountains to make it happen.

I'll make friends with the kids, dance with the grandparents and chat with all your besties. I'll fix dresses, move chairs, solve problems, roundup wayward uncles (at one wedding I was even applying sun-cream!)

I know it sounds silly, but if you're one of my couples, I'll think of you as family. And that's honestly how I want you to feel. Like you can come to me for anything, like nothing's too much trouble. And if you ever need a single thing, I'm only a phone call away.

## KIND WORDS

We booked Lucy for our wedding and we could not recommend her enough. We are so delighted with all of our photos. From our engagement shoot to our big day, Lucy's relaxed yet professional demeanour put us at ease. She managed to strike the perfect balance between being informative and taking charge when needed, especially with our lively group of guests. Our guests also commented how lovely Lucy was, as she blended in to take such natural photos of our guests.

What stood out most was Lucy's adaptability and willingness to accommodate our every request. No ask was too big or small (even being reactive to requests on the day); she went above and beyond to ensure she captured all our important moments. Her keen eye for detail ensured that not a single precious moment was missed.

We can't recommend Lucy enough for any photography needs. We are so happy with our wedding photos. If you are considering having Lucy for your photography needs, then you should not think twice and book her up fast! You will not regret it.

Thank you Lucy for capturing our most perfect day.
